Soyfoods

Bean Team Worksheet

Bennie and Ben learned that soyfoods are available at their grocery store. See if you can find the soyfoods listed below.

Look for the soyfoods down, across or backward.

d	u	f	o	t	r	y	q	y	o	g	u	r	t

Soybeans: Food, Feed and Fuel

Bean Team Worksheet

Soybeans are processed to make food that we eat, fuel for equipment and feed for livestock and poultry.

See if you can answer the following questions. Just choose either true or false.

1. Soybeans are important to people around the world.

2. The average person consumes about 1 gallon of soybean oil each year.

3. Unlike fossil fuels, soybeans are a renewable energy source.

4. Fish, unlike livestock and poultry, do not eat soybean meal.

5. More soybeans are grown in the United States than in any other country.
