

For more information, email us at sioxland@igmail.com.

and Twitter.

We're joining student and classrooms virtually this year, but we invite you to check out the resources we offer to both classrooms and families on our website, www.sioxland.com. You can also follow us on Facebook, Instagram,

Hello! We're Siouxland Agriculture in the Classroom, and we're excited to bring agriculture education to your students. We talk about where our food comes from, and this month we learned about some basics of agriculture, or the production of crops and livestock for food, fuel, and fiber.

Name _____

Iowa in a Bag!

Soil	Word Bank		Sun
Corn	Livestock		Water
Plants	Soybeans
